Thursday, June 12, 2025 Shelby County Treasures

As one of Alabama's fastest growing counties, Shelby County is filled with amazing arts and historical places that will blow your mind and get you super curious.

To start the day, we'll visit The Heart of Dixie Railroad Museum located in Calera. The museum has an awesome collection of vintage locomotives and train cars that have been beautifully restored.

We will board the train and take a short ride to Ozan Winery and Vineyard. Upon arrival we will take a vineyard walking tour to the hillside winery for wine tasting, cheese plates, and lunch!

American history is our next focus! With its replica colonial village, historic buildings, and interactive exhibits, American Village is a great place to explore and learn about American history in a fun and engaging way.

We will make a quick stop at Orr Park- famous for its unique and stunning collection of tree carvings created by local artist Tim Tingle. You can walk along the trails and see over 30 intricately carved tree stumps, including a massive dragon and a spooky tree face.

Price includes all admissions, lunch, tasting ticket, deluxe motor coach transportation, all taxes and gratuities.
